

Legislator of the Year Award Nomination Form

Last year this prestigious award was re-implemented. While we did not end up presenting it to a legislator, we did present the outgoing MDOT Director Steudle with a "Lifetime Achievement Award". However, this year we would like to award both a House and Senate Legislator of the Year award.

The award recipients will be based on the following criteria:

1. Sponsored a major MAA piece of Legislation
2. Carried the weight of moving a major piece of legislation/initiative through the Legislature.
3. Recognized leader that is supportive of the aggregate industry.
4. Toured aggregate facilities and is knowledgeable about the Aggregate Operations in their district.

If you know of a great candidate(s) for the MAA Legislator of the Year Award, please fill out the attached form and send back to the MAA office by March 1, 2019.

Awards will be presented during the April 18, 2019 Annual MAA Awards Banquet that will be held at the Country Club of Lansing.
